For product support, contact the manufacturer of your PC.  
If it is a Dell PC, you receive the Certificate of Authenticity label on the Microsoft software you received with your system. If not, contact your manufacturer and, for more information, please email Microsoft at [productsupport@microsoft.com](mailto:productsupport@microsoft.com), or visit [www.microsoft.com/whoweb/bscc/default](http://www.microsoft.com/whoweb/bscc/default).

The Microsoft® operating system Certificate of Authenticity (COA) is a multicolored label located on the side or bottom of your computer. The COA contains the product key code, which might be required to complete the operating system setup.
